Safe-T-Products ROHS and REACH Compliance Declaration

Document No.: STP-ENV-001
Revision: 1.0
Date: October 2025
Prepared by: Quality and Compliance
Approved by: Director – Safe-T-Products

1. Purpose

This document confirms that all products manufactured and supplied by Safe-T-Products are compliant with the requirements of the European Union ROHS Directive 2011/65/EU (and subsequent amendments 2015/863/EU) and the REACH Regulation (EC 1907/2006).

2. ROHS Compliance

Safe-T-Products certifies that its products, components, and subassemblies do not contain any of the restricted substances identified under the ROHS Directive above the permissible limits:

Substance	Maximum Limit (ppm)
Lead (Pb)	1000
Mercury (Hg)	1000
Cadmium (Cd)	100
Hexavalent Chromium (Crnn)	1000
Polybrominated Biphenyls (PBB)	1000
Polybrominated Diphenyl Ethers (PBDE)	1000
Bis(2-ethylhexyl) phthalate (DEHP)	1000
Benzyl butyl phthalate (BBP)	1000
Dibutyl phthalate (DBP)	1000
Diisobutyl phthalate (DIBP)	1000

3. REACH Compliance

Safe-T-Products products are manufactured in compliance with the European REACH Regulation (EC 1907/2006), including all updates to the Substances of Very High Concern (SVHC) Candidate List published by the European Chemicals Agency (ECHA). As of this declaration date, Safe-T-Products confirms that no products intentionally contain substances listed on the ECHA SVHC Candidate List above 0.1% w/w, and ongoing supplier verification ensures continued compliance.

4. Environmental Commitment

In alignment with our environmental initiative “Don’t Forget To Recycle Me”, Safe-T-Products ensures that no styrene, mercury, lead, or other restricted substances are used in manufacture or packaging. All packaging materials are recyclable, and non-recyclable waste is reduced wherever possible through responsible sourcing and process optimisation.

5. Declaration of Conformity

We hereby declare that all products manufactured by Safe-T-Products conform to the requirements of ROHS Directive 2011/65/EU (and 2015/863/EU) and REACH Regulation (EC 1907/2006), as amended.
Signed on behalf of Safe-T-Products:

Marcus Coyle
